

ClimateWest
Building Prairie Resilience

ClimateWest 2025 Forum
Sponsorship
Opportunities

“The ClimateWest Forum is a great opportunity to network as well as have meaningful conversations with stakeholders on climate adaptation issues in the Prairies. The event was well organized, well attended and informative. It is a good place place to exchange information, keep updated on climate reilience trends, and to meet new business contacts in an informal and friendly setting.”

CLIMATE RESILIENT FUTURES

Empowering People through Knowledge, Tools, and Stories

The ClimateWest 2025 Forum will bring together a wide range of sectors and communities who are working toward a climate resilient future across Alberta, Saskatchewan, Manitoba, and beyond.

Sessions will delve into inspiring stories that motivate adaptation actions, as well as knowledge and tools that promote preparedness. Through sharing knowledge, tools, and stories, the ClimateWest Forum aims to empower people to build resilience in their communities by preparing for the impacts of our changed and changing climate. Read about ClimateWest’s past forums.

Event sponsorship will enable us to continue offering free attendance to the forum and give everyone a chance to grow their knowledge.
