

Putting people at the centre of adaptation

The Challenge

Climate impacts are getting worse, but adaptation is still an under-discussed issue in AB, SK and MB.

The Choice

A training program and research project on communicating and engaging on climate adaptation for the prairie provinces.

THE PARTNERS

Re.Climate

ClimateWest
Building Prairie Resilience

SEVGEN
CONSULTING

THE OPPORTUNITY

Based on the best, most up-to-date research

Locally driven

Inclusive of Indigenous perspectives
